Note: The Greene County Career Center has moved into its new location and we will sell the school's original facilities at Public Auction in early March. We have been commissioned by the Board of Education to liquidate the remaining furniture, tools, equipment, and automobiles at the facilities. Due to COVID-19 concerns we will also offer a live internet bidding option. Most lots will sell in groupings consisting of multiple items. Visit us online for complete auction information, including auction catalog and bidding portal access.

Commercial Kitchen Equipment: Large selection of quality stainless and other pieces including ovens, stoves, warmers, fryers, preparation tables, coolers, refrigerators, freezers, and many more items from **two fully-equipped commercial kitchens.**

Institutional Furniture & Equipment: Office furniture from many administrative and faculty offices; large selection of stackable and other chairs; classroom equipment including many LED projectors, smart boards, white boards, computers, cabinets, student lockers, & much more.

Trade Tools & Equipment: Loads of tools and equipment from the school's trade programs including:

- Auto Collision Repair
- Automotive
- Construction
- Cosmetology
- Electrical
- Health Sciences
- Welding & Metal Fabrication
- and more, including non-running vehicles.

GCCC receives funding each year for tool and equipment upgrades. See Auction Catalog for complete listing.
