You can look for years and never find a gem like this. Clean, very well kept home that has only been occupied by adults. This home has never been smoked in nor has there ever been any pets. This home still has the original glass door knobs throughout the home. Enjoy peaceful evenings in the shade either in the back yard or the relaxing side porch. This place says “welcome home” when you step in the door. You don’t want to let this one slip by.

This property is a 1,5500 sqft. 3 bedroom, 1.5 baths single family traditional style home.
